A Scholarship fund in memory of **Dr. Opal Hurley Mann, Arnold C. Mann and Lourainey Hurley**, former residents of Morgan County, provides financial assistance to deserving women with a high academic standing and who desire a college education, but cannot attend college without financial assistance.

Arnold and Lourainey did not have the opportunity for advanced education. Opal was able to go to school and gain a Ph.D. They each want young women to have a chance to achieve a post-secondary school education and to attain a degree or certification.

The **\$500.00 annual scholarship** will be awarded to a deserving candidate each year.

Mann Hurley Scholarship Purpose

The purpose of this scholarship is to assist qualified low income women who are interested in a college education. The candidate must have a high grade standing, but have insufficient income to pay college expenses without financial assistance.

This **\$500.00 scholarship** is awarded to students enrolling in an accredited college or university as an undergraduate (college freshman, sophomore, junior or senior) or in graduate school (master's or doctorate degree level).

Preference is given to students at the college freshman level or to students who receive this scholarship and re-apply for an additional year. Four years is the maximum time this scholarship may be awarded to the same person and application must be made each year.

A high school graduate applying for this scholarship is expected to have an **academic standing of 3.0 ("B" grade average) or higher on a 4.0 grading scale.**

To receive second semester scholarship funds or to receive the scholarship the next year a 2.0 ("C") college grade average on a 4.0 grading scale or higher must be maintained. However, a "B" average or better is preferred.

Graduate level recipients, pursuing a master's or doctorate degree, are expected to have a "B" grade standing or higher at the college undergraduate level and must maintain this grade standing to remain eligible for this scholarship.

The scholarship preference is given to residents of Morgan or Pike counties, but the candidate may be from another Eastern Kentucky county.

The Chairperson of the Mann Hurley Scholarship Committee or his/her designee is the major contact for receiving scholarship contributions and applications.

The scholarship fund is managed by a scholarship committee representing the church, donors, education, and the public.

Interest accrued by the scholarship makes this scholarship possible and continuous.

At present the accrued interest is sufficient for only one \$500.00 scholarship per year with half of this amount applied to registration and tuition costs the first semester and the other half the second semester.
